**WASHING WITHOUT WATER**

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water? If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandruff and to prevent Baldness by feeding the germs which cause it. With Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

**Pitiful Entreaties of Sick Man Prevail—Immigration Officials Allow Him to Wait and See Brother Who is Hurrying to Meet Him.**

New York, Sept. 2.—The machinery of the immigration law at this port has been stopped in the case of a young Irishman, who had been ordered sent back to his island home because he is suffering from tuberculosis. This unusual proceeding was taken so that the man's brother, en route from Indianapolis, might see him for the first and probably the last time.

Patrick Kilroy, a well to do old Irishman, who for nearly a quarter of a century has made his home in North Salem, Ind., decided a few weeks ago that the climate of Indiana was the thing to restore the health of his son, Thomas, whom he left in Ireland when he came to the United States in the early '80s. Accordingly, he sent a check to his son to cover the young man's expenses across the ocean. He also wrote that Thomas would be met at the Indianapolis station by his brothers and sisters, several of whom he had never seen.

Young Kilroy arrived in New York last Sunday morning on the Celtic. The Marine hospital doctors, who boarded the Celtic at quarantine, soon took notice of his condition and he was ordered deported, according to law, on the first available ship of the line which brought him in. This happened to be the Celtic. Thursday afternoon Kilroy was ordered to prepare for the voyage Friday morning. A few minutes later a telegram arrived from Kilroy's brother, who said that although he coming on the fastest train he could get he would be unable to reach New York until 15 minutes after the Celtic sailed.

In a broken voice Thomas pleaded with the inspectors that he be allowed to remain until the next sailing. They were much affected by the unusual nature of the case and telephoned the steamship company's officials. The latter agreed to foot the bill and Kilroy was allowed to remain behind a few days. His brother arrived at Ellis island Friday.

**WATER COMMISSIONERS.**

The meeting of the city water commission that was due to have been held on Friday evening last, has been postponed until Wednesday evening next at 7:30 o'clock. It is quite likely the commission's hitherto held by W. E. Dement will be refilled by the board. Mr. Dement having moved from the city, requesting his colleagues to fill the vacancy so created.

**LONG TROLLEY RIDE.**

**Electric Road to Be Built from Chicago to Cincinnati.**

Chicago, Sept. 2.—The Record-Herald today says:

Continuous trolley rides from Chicago to New York over two routes and between Chicago and Cincinnati are among the transportation probabilities of the near future. William S. Reed, a builder of railroads, who has an office in the First National bank, has organized a syndicate which has purchased the Chicago Electric Traction company, and had organized two other companies which will complete the gaps which now bar a continuous ride on electric roads between the cities named.

Mr. Reed claims that these transportation feats will be made possible by next June, and that the traveler may go from Chicago to New York by way of Buffalo, and then through New York state, or may branch off at Cleveland and take a long distance airing through Pennsylvania and so on to the metropolis.

The Chicago Electric Traction company which is now in the hands of a receiver in Judge Kohlsaat's court, is to be taken out of litigation and will then be absorbed by the Chicago & Southern Traction company, a New Indiana corporation, which is capitalized for \$2,000,000. This will be increased to \$4,000,000. The latter company is to construct a line from Harvey to Kankakee, a distance of 36 miles.

Other lines then will take up the connection, completing the route between Chicago and New York.

**INTERMENT OCCURS TODAY.**

The funeral services of Mrs. Ernest Coffey, who died at Hammond, will be held at Knappa today.
